

## D8/D9 Bluetooth and CarPlay Troubleshooting

If Bluetooth is not connecting or disconnects frequently, make sure you have the included “BT WiFi Antenna” threaded into the “WIFI BT” connection on the back of the Dynavin. Also, make sure your [firmware is up to date](#).

If you’re still having trouble after completing the instructions below, please contact us at [support@DynavinNorthAmerica.com](mailto:support@DynavinNorthAmerica.com)
