

Product Specification

Shown with optional Chrome Frame

Classic Caster Chair

Seat Shell

The Classic Seat Shell is a one-piece rugged polypropylene molded shell. The seat is attached to the frame by means of six steel rivets attached to a fully welded engineered mounting bracket.

Frame

All leg tubes are 1 1/8" 18-gauge tubular steel. Mounting brackets are 16-gauge. Leg tubes, mounting brackets and a saddle support bracket are fully welded together using continuous full welds to form a structurally solid, freestanding frame.
