

Band

Description:

The band CPU holder is a streamlined and adjustable device with an innovative strap-support design. This one of a kind holder fits almost any size CPU and smartly tightens the CPU in place by simply turning an Allen key.

Specifications:

- Supports most units (including small form factor CPUs)
- Retracts on a 17" track and swivels 360 degrees
- Can accommodate a CPU weighing up to 75 lbs. and measuring up to 64" in perimeter
- Equipped with a single tool adjustment ratchet device used to tighten and loosen the strap with an Allen key
