## Döni® Stack Chair

Döni lets designers imagine the possibilities with a fresh palette of energizing brights, sophisticated neutrals, two-tone colors and unlimited custom color possibilities.

With 17 degrees of hip-articulation and body-conforming curves, Döni provides optimal comfort.

Chairs stack 12-high on dolly and 6-high on floor (poly). Café stools are non-stacking. The Döni ganging mechanism allows curved rows and rotates out of sight below the seat when not in use.

Innovative ChangeUp™ tablet arm provides an accessible work surface to Döni 4-leg, 4-leg with casters and sled base chairs. ChangeUp is a large flip/fold tablet that pivots 45 degrees for ease of ingress and egress in a compact footprint. Chairs with ChangeUp tablets are non-stacking.
