

trace lockers

With a wide selection of sizes and configurations, both personal and shared work spaces can be tailored to suit individual storage needs.

Laminate fronts with electronic locks as door pulls.

Trace lockers are built to be tough, but they love to show off. Add a focal point with a splash of color, laminate front, or a combination to create a one-of-a-kind appeal in any environment.

Door Pulls

Customize the aesthetic of your lockers with a selection of door pull styles.

GO Keyless

GO's electronic locks combine lock and door pull in one and can be used alone or with the Full Pull.

Fixed Mode

Once a code is created, that code remains in effect until the user changes it.

Revolving Mode

Also called hotelling or single use mode, the code is cleared after each complete locking cycle.

Standard Locks

Locks can be keyed alike.

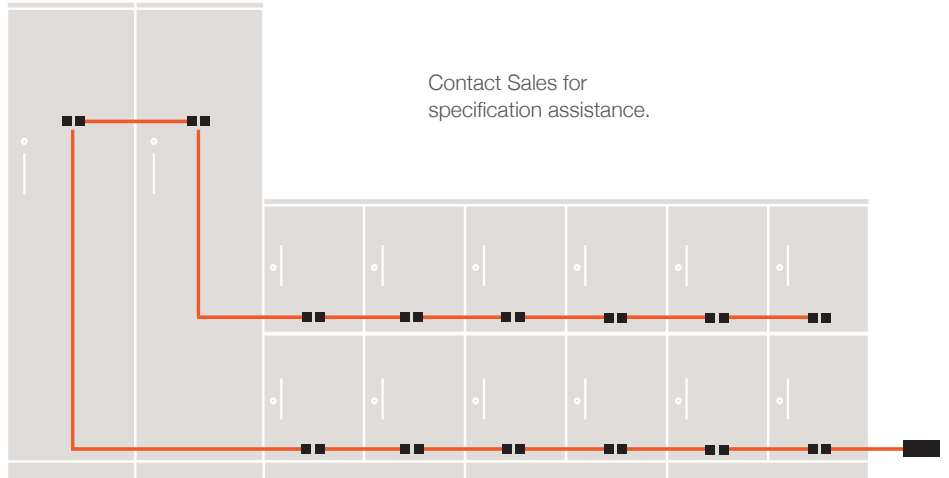

Locker Door Number Plates

Identify and catalog individual lockers with metal number plates, which may be attached with rivets at time of locker installation or using permanent peel-and-stick tape.

Power Where You Need It

Keep electronic devices charged, ready, and secure. A single power feed can accommodate up to 40 lockers, with plug-in power inside each locker and wires routed outside and behind the cabinets.

GO With Color

Adding a pop of color to your lockers can make a dramatic statement in any space. We offer the best color selection in the industry, including:

- 72 standard colors
- Additional "Industry Favorite" colors
- Custom color-match services

Laminate Fronts

Laminate or TFL fronts add warmth and texture to your locker doors.

- 16 standard laminates, plus TFL options for cost-effective doors or drawer fronts
- Custom laminates also welcome

The Ultimate Multi-Purpose Locker

Take a peek inside our Multi-Purpose Locker and you'll find additional features that make it an ideal add-on to individual workspaces. Part locker, part storage tower, there's separate hanging space for the jacket or sweater, a top shelf and two adjustable shelves for office and personal items, and an added pull-out rack for organizing files.
