# MONITOR ARMS
## KING COBRA

Smooth. Flexible. Sharp. That's exactly how our King Cobra works. Support your monitor displays and get your displays up and running with a line of extra-sturdy, die-cast aluminum arms that eliminates desktop clutter and stress.

The King Cobra series helps you quickly set up your computer screens with simple installation and convenient, built-in functionality. It makes work easier (and smarter) with foldable arms, standard power and USB options, as well as portrait and landscape view screen adjustability.

**FEATURES**

- Die-cast aluminum construction provides greater stability and contains high-recycled material
- A variety of foldable, gas-type arms in light duty, heavy duty and high-splitter configurations
- Installs easily with clamp mount and 10-ft power cord
- Standard power and USB
- Portrait and landscape view-adjustable VESA Plate
- Manages clutter with standard wire management system built into monitor arms
- Comes standard in silver finish
- Provides up to 20 lb of support per screen

# MONITOR ARMS
## UNITY G2

The Unity G2 Monitor Arm makes working solo (or with a team) hassle-free. Keep your screens grounded (but very adaptable) with these mountable, gas height-adjustable monitor arms.

Need to take a closer look or take a step back? These handy monitor arms let you adjust by pulling in (or pushing back) for quick, customized screen visibility. Need to share some information during a meeting? Just flip and adjust your screen with 180- and 360-degree screen rotation.

**FEATURES**

- Choose from single- and dual-arm gas-type arm configurations
- Install with included clamp
- Switch up your view with portrait and landscape view-adjustable VESA Plate
- Select from silver and white arm finishes
- Provide up to 17.6 lb of support per screen
