Design

Designed with quality and comfort as high priorities, Flexxform's ottoman collections are diverse in their shapes and sizes, but each piece is made with only the highest quality product. Complimented by the perfect upholstery, ottomans can become the favorite in a room due to their versatility, comfort, and movability.

Performance

All foam components are environmentally friendly and California TB117 compliant

India Tape is utilized in the seams to ensure the Ottomans are kept bedbug-proof (with the use of coated upholstery)

The Ottoman's frame is constructed of $\frac{3}{4}$ " Canadian plywood

Ottomans

Designed by Flexxform's Designers

Flexxform's ottomans have been designed not only by Flexxform designers but by you. Interior designers, dealership designers and salespeople, architects, and more have come to Flexxform with a vision, and Flexxform's in-house designers have made that vision a reality.

Flexxform designers are all about ensuring Flexxform products are built to exceed standards and fill needs. With the team made up of a combination of Portuguese and Canadian backgrounds Flexxform's design team brings the European flare with North American quality to every design.
