Let's uncomplicate matters.

Small business is demanding. It's hard finding time to hunt down the perfect desk, chair, or collaborative workspace. Which is why we developed Snap, the easy way to furnish your business from front to back with the most popular designs from Trendway. Need it fast? Snap speeds the process from planning to installation.

How it works in 3 simple steps:

1

Select your space.

Whether the vibe is modern or traditional, focused or collaborative, Snap has solutions for the whole office.

2

Pick your package.

Snap furnishings are strategically grouped around the way you work. Want to personalize your order? No problem. Ordering is flexible.

3

Choose your color.

Our design team has put together color palettes that are trending in today's workplace. You can also get creative and choose your own within the program.
