

Water & Sand Tables

Trojan's Hardwood Water & Sand Tables are made of rugged polyethylene tubs, and Canadian hardwoods. Each table has four lockable, non-marking casters for easy mobility, and a clear acrylic lid to protect the contents when needed. Great for indoor use.

Water & Sand Tables can be filled with any medium for kids to enjoy, but our deeper Water Tables have a drainage valve on the bottom - the Sand Table does not. Some assembly is required for these units.

Tub Sizes:

- Large Water Tub 36 x 24 x 10"
- Small Water Tub 23 x 20 x 10"
- Large Sand Tub 36 x 24 x 5"

Clear acrylic lid

Lockable casters

| Water & Sand Tables: Hardwood | Part No. | Length | Width | Height | Lbs |
