Since 1984

Trojan Classroom Furniture is a Canadian manufacturer of commercial quality, early education furniture products for professional learning environments.

Safety Considerations

Here are some of the safety considerations and standards that go into every piece of furniture we manufacture:

- Rounded corners keep children safe
- Wood bolts are deep threaded and nickel plated
- Hardwood dowels added to joints to add strength
- Finished with a UV resistant coating that is easy to clean and keep hygienic
- 2" casters are rated for 88lbs (40kg) each, 350lbs (160kg) for a set of four
- Locking casters are non-marking

Limited Lifetime Warranty*

Trojan Classroom Furniture offers a limited lifetime warranty on many of its products for materials and craftsmanship. The limited warranty does not cover damage from misuse, normal wear & tear, and water damage. Claims must be through the dealer or point of purchase. Trojan reserves the right to repair, replace or refund the dealer at dealer price, at its discretion. Claims are limited to one occurrence per item purchased. Trojan reserves the right to limit, change or modify the terms of this warranty at its sole discretion without notice at any time. The limited lifetime warranty does not apply to all Trojan products. Please contact Trojan Classroom Furniture for product and warranty information if you have any questions.

FSC® Certification & Manufacturing

We are FSC Certified. An environmentally responsible and sustainable procurement policy is critical to protect our forests. The adoption of FSC materials and practices plays a crucial role in preserving forests in the fight against climate change. At Trojan Classroom Furniture, we feel a corporate responsibility to maintain FSC initiatives throughout our supply chain. We are proud to offer FSC products. Please ask us about our FSC product lines.

A Note on the Photography

Throughout our catalog, toys and other items are photographed with our furniture. These props are for illustrative purposes only and are not included with our furniture.

Trojan Bookcases are traditional, classic designs that hold hundreds of books. Rugged Baltic birch construction handles the weight easily and has a UV resistant coating that increases its protection against wear and tear. The adjustable shelves are easily modified - with shelf holes every 1.25". All units ship fully assembled with maple backing (hardboard available upon request).

Bookcases can be made to custom sizes.
