## Stain Colors

## Frame Colors

## Stackable

The **Compass-VF** chair without armrests is stackable. Up to 10 chairs can be stacked on top of one another and moved easily with a hand truck. The seat shell is protected against pressure and damage thanks to the stack buffer.

## Compass-VF

Four-legged beech plywood chair.

**31320**  
6 heights

**31365**  
h: 17 3/4

**31331**  
h: 18 1/8

## Armrest Chair

The **Compass-VF** is also available as an armrest chair. The slim armrests have a comfortable plastic cover.

## Glides

With the right glides, the **Compass** is perfectly equipped for any floor. 2-component universal glides are specifically designed by VS to protect hard floors, yet can be used on all floor types. Plastic glides are recommended for carpeted floors, and felt glides are another option for hard floors.

## Plywood

The **Compass-VF** seat shell is made from beech plywood with anti-slip paint and hidden frame attachment.

**Wire Rack**

The **Compass** is available with a wire rack basket underneath the seat, providing an easy storage space for students.

**Tablet Arm**

Another available option is the writing and laptop surface for those who want a desk surface and chair together.

**Compass-LuPo**

Four-legged polypropylene chair.
