

TORSA COMFORT DRIVE: Cable-driven control.

The Torsa™ highback task chair with Comfort Drive™ offers outstanding ergonomics, exceptional comfort and a stylish yet affordable aesthetic.

SYNCHRO WITH COMFORT DRIVE
The innovative cable-driven synchro mechanism with Comfort Drive allows easy fingertip adjustment from a seated position.

Comfort Drive puts all of the functionality of the chair at the user's fingertips. Controls are located at the edge of the seat so users don't need to take their back off the chair. They can merely reach down, actuate the lever with their fingertips, and transform the chair to their liking.

STANDARD EQUIPMENT
Comfort Drive and seat depth adjustment are standard on all Torsa task chairs.

Enhanced synchro mechanism.

Left side: Seat height adjustment, seat depth adjustment

Right side: Tilt lock and tilt tension adjustment

Adjustable lumbar support

Inspired by nature.

SitOnIt • Seating®
