
Huddle with inspiration

Gobi™

IDEON®

California born and bred

For 20+ years, we've been the go-to destination for built-to-order seating because we combine award-winning design with the fastest lead times around. Customizing is oh-so-easy with our industry-leading visualization tool – ChairBuilder™. We can build almost any specification you want, deliver it when you need it and offer a price no one can match. It's all part of our indie California spirit and drive to help you innovate and inspire.

Made for modes

Work mode. Wait mode. Let's-get-it-done mode. Today's open and collaborative spaces should help you shift spontaneously. And Gobi is the perfect huddle partner. Its sculpted comfort and modern, easy-going design can carry you through the many modes you find yourself in – so that another day at the office feels like anything but.

Optional auto-return base ensures Gobi always faces forward for fresh, clean spaces.

Assemble your ensemble

From small gatherings to larger configurations, Gobi pairs well with just about any group – mixed or modular. Flared arms offer an open invitation to sit while a wide, comfortable seat provides a refined and roomy rest when you do.

No reservations required

Big ideas can be hard to schedule and often take place outside dedicated meeting rooms. Go-with-the-flow Gobi helps you huddle for every brainstorm, touch-base and last-minute meeting of the modern office with the sit-ability you expect from the leader in comfort. It's also perfect for creating casual collaboration corners and in-between islands you can breeze through on the fly.

Minimalist design, easy angles and soft, sculpted curves add comfort to every encounter.
