Time for an upgrade

Take your conference room to the next level. Our Prava midback chair's sleek profile and clean lines add a contemporary touch to a classic silhouette.

JORGE PENSI

Known for his fluid, elegant aesthetic, award-winning furniture and lighting designer Jorge Pensi creates timeless pieces that adapt easily to multiple environments. Pensi studied architecture in his native Buenos Aires before moving to Barcelona and establishing his design practice there in 1984. During Spain's new design movement, Pensi emerged as one of its key players with his more modern, universally appealing style.

Our Prava's mixed-media arm bears Pensi's signature cast-aluminum design—the contemporary fusion of aluminum and plastic adds a subtly modern touch to any room.
