**ARCHIE ROSE RYE  
MALT WHISKY.**

**46% ABV.**

Voted world's best rye whisky 2020, Archie Rose sourced malted rye and the finest malted barley from progressive malt houses, including Voyager Craft Malt – paired them with American oak casks that have been air-dried for 36 months and let it all mature in Sydney, NSW.

**MAD DOG MORGAN  
MUSKET BARREL**

**46% ABV.**

"Mad Dog Morgan" was a ruthless and bloodthirsty bushranger who roamed the southern riverine. This single malt whisky is made from a malt bill consisting entirely of locally grown and malted Schooner variety barley, which Dean would drive down from Corowa to pick up on the weekends in his trailer. Matured in American Oak barrels that previously held delicious Rutherglen fortified Musket.

**RIVERBOURNE  
DISTILLERY**

**THE RIVERBOURNE ULTIMATUM**

**47% ABV.**

The whisky spent the majority of its maturation in a red wine cask before been re-cast into an ex-rum and an ex-port cask. Specially produced for the local markets, this is one whisky that screams 'Collectable' although they envisage it been enjoyed for what's inside the bottle. Jingera, NSW

**CHIEFS SON THE TANIST.**

**43% ABV.**

Distilled in Mornington Peninsula by Stu McIntosh using an exclusive traditional style malting process, and aged in a 'double wood' – a combination of French and American oak which combine to give this rich, oily, honey-like mouth feel and a beautifully long finish.

BARREL #3 VICTOR HINGSTON  
SINGLE MALT WHISKY.**

**59% ABV.**

Another early distillery to adopt Voyager Malt, Lucas Catell's (owner and distiller) 3rd release is another great, highly sort after Australian whisky. Aged in 100l port casks and, conditioned in a range of places across NSW, this is a big bold and balance spirit with typical port influenced fruitcake/ sticky date pudding characters with hints of chocolate, light smoke, caramel and oak.
