Margaret River

2016 'Wildwood Ridge' Cabernet Sauvignon

APPELLATION: Margaret River
VARIETALS: 93% Cabernet Sauvignon
7% Merlot
CLOSURE: Screwcap

WINEMAKING NOTES:

2016 was a brilliant growing season for the region and this enabled Aravina to harvest the Cabernet Sauvignon in late March resulting in optimum flavor and tannin ripeness in the berry. The fruit was hand harvested, fermented in open fermenters for primary fermentation then pressed off to 40% new French oak for the completion of Malo-lactic fermentation. 19 months maturation and subsequent barrel selection has allowed us to produce small quantities of this iconic wine with only 250 cases made.

CELLARING: 25+ years
APPEARANCE: Deep purple red
NOSE: Primary dark fruits, dried bay and subtle oak nuances.
PALATE: Plush and powerful with fine acid and typical firm and resolved tannins.

Alcohol (%v/v): 14.1

pH: 3.63

T.A (g/L): 6.35

AWARDS: Best Red Wine - Western Australian Boutique Wine Show
