Except as permitted by such license, no part of this publication may be reproduced, stored in a retrieval system, or transmitted, in any form or any means, electronic, mechanical, recording, or otherwise, including translation to another language or format, without the prior written permission of Macally Peripherals.

The content of this manual is furnished for informational use only, is subject to change without notice, and should not be construed as a commitment by Macally Peripherals. Macally Peripherals assumes no responsibility or liability for any errors or inaccuracies that may appear in this book.

Macally is a trademark of the Mace Group, Inc. All other product names, trademarks and registered trademarks in this document are the property of their respective holder.

**FCC Information**
This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference and (2) this device must accept any interference received, including interference that may cause undesired operation.

**Warranty**
Macally peripherals warrants that this product will be free from defects in title, materials and manufacturing workmanship for one year from the date of purchase. If the product is found to be defective then, as your sole remedy and as the manufacturer's only obligation, Macally will repair or replace the product. This warranty shall not apply to products that have been subject to abuse, misuse, abnormal electrical or environmental conditions, or any condition other than what can be considered as normal use.
**Warranty Disclaimers**
Macally Peripherals makes no other warranties, express, implied or otherwise, regarding the BTMLUXKEY, and specifically disclaims any warranty for merchantability or fitness for a particular purpose. The exclusion of implied warranties is not permitted in some states and the exclusions specified herein may not apply to you. This warranty provides you with specific legal rights. There may be other rights that you have which vary form state to state.
**Limitation of Liability**
The liability of Macally Peripherals arising from this warranty and sale shall be limited to a refund of the purchase price. In no event shall Macally Peripherals be liable for costs of procurement of substitute products or services, or for any lost profits, or for any consequential, incidental, direct or indirect damages, however caused and on any theory of liability, arising from this warranty and sale. These limitations shall apply not withstanding any failure of essential purpose of any limited remedy. V1.1.

**Important Note:**

1. The keyboard has a built-in energy saving feature. It goes into sleep mode when not in use for a period of time. Press any key (such as "space" key) on your keyboard to wake up again.
2. Please wait for BTMLUXKEY to be connected before entering your user's password during computer boot up.
3. Pairing light needs to be on and flashing during pairing process. If it's not flashing quickly, press Fn and P again and start all over to pair BTMLUXKEY with your device.

## Pairing the keyboard with Mac

1. For the first time use, pairing is required. Press Fn and P keys simultaneously to set keyboard in pairing mode, the Pair LED flashes blue.

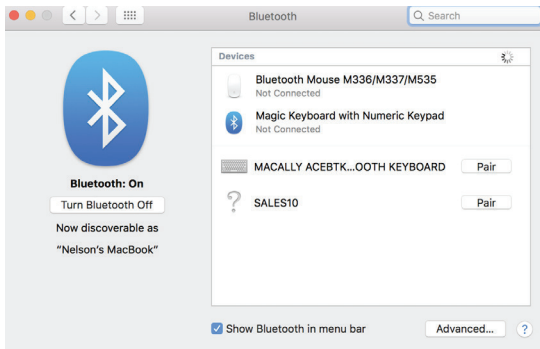

2. Please click the Bluetooth icon in your computer's menu bar located in upper right corner of your screen.
   Make sure Bluetooth is turned to On then select "Open Bluetooth Preferences ..." in the drop down menu.
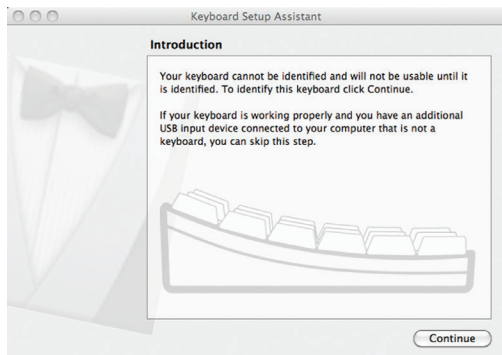

3: Bluetooth window displays a found Macally Bluetooth keyboard, please click on the "Pair" button next to it.

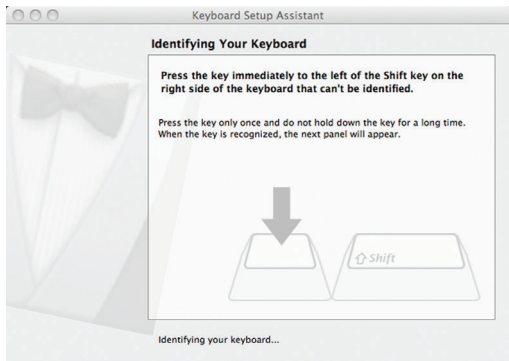

4: Once pairing is finished, the Bluetooth keyboard shows "Connected" status.

5. When Mac prompts you a message, "The keyboard can not be identified..." please follow Keyboard Setup Assistant guide to identify keyboard as shown below.

6. Select ANSI option, and click on Done button.

Please note that if you are using a different Apple OSX version, your screen may differ from the above diagrams.
