# LED TABLE LAMP WITH USB CHARGER

User guide

USER GUIDE

The Macally LampUSBCMAW LED table lamp is designed to provide light at your table, desk and nightstand while keeping your mobile devices fully charged.

This clever lamp doubles as a charging station and features 2 USB ports with smart IC to charge smartphones, tablets, and all other USB powered devices at its fastest possible speed* (up to 2.4A).

The lamp has a built-in LED (3000K) with a long lifespan and better LED energy efficiency compared to traditional lighting solutions. This is important as we continue to become increasingly conscious of our ecological footprint.

Fully certified, this LED table lamp charging station keeps your light and devices safe with surge protection, temperature control, short-circuit protection and over-current protection.

Functional and stylish, the Macally LampUSBCMAW fits on any table, desk, nightstand, sideboard, etc. in any interior.

*Does not support Qualcomm Quick Charge.

How to setup the LampUSBCMAW

Before installing the LampUSBCMAW make sure to remove the plastic film from the lamp shade.

1. Unscrew the lamp shade fastener, attach the lamp shade and screw the fastener back into place.

2. Plug the power cable into the power port of LampUSBCMAW and the AC adapter into a wall outlet.

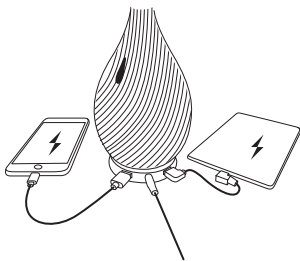

Controlling the LED lighting

To turn the lamp on, simply tap on the touch sensor once to turn it on at the dimmest level. Then tap on it again to cycle through the next 2 brightness levels and off.

- 1st tap: On/Dimmest
- 2nd tap: Medium brightness
- 3rd tap: Highest brightness
- 4th tap: Off

USB charging

Connect your smartphone, tablet and any other USB powered device into either of the 2 USB ports (5V/2.4A) with a USB-Lightning or USB-Micro USB cable (not included).

Warranty

Macally Peripherals warrants that this product will be free from defects in title, materials and manufacturing workmanship for one year in North America from the date of the purchase. If the product is found to be defective then, as your sole remedy and as the manufacturer's only obligation, Macally will repair or replace the product. This warranty is exclusive and is limited to the Macally LampUSBCMAW. This warranty shall not apply to products that have been subjected to abuse, misuse, abnormal electrical or environmental conditions, or any condition other than what can be considered normal use. The liability of Macally Peripherals arising from this warranty and sale shall be limited to a refund of the purchase price. In no event shall Macally Peripherals be liable for costs of procurement of substitute products or services, or for any lost profits, or for any consequential, incidental, direct or indirect damages, however caused and on any theory of liability, arising from this warranty and sale. These limitations shall apply notwithstanding any failure of essential purpose of any limited remedy.
