Macally Product Information

Warranty

Macally peripherals warrants that this product will be free from defects in title, materials and manufacturing workmanship for one year from the date of purchase. If the product is found to be defective then, as your sole remedy and as the manufacturer's only obligation, Macally will repair or replace the product. This warranty shall not apply to products that have been subject to abuse, misuse, abnormal electrical or environmental conditions, or any condition other than what can be considered as normal use.

Limitation of Liability

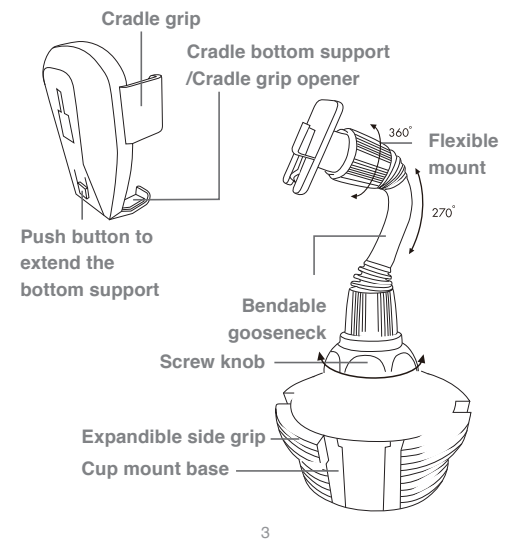

The liability of Macally Peripherals arising from this warranty and sale shall be limited to a refund of the purchase price. In no event shall Macally Peripherals be liable for costs of procurement of substitute products or services, or for any lost profit, or for any consequential, incidental, direct or indirect damages, however caused and on any theory of liability, arising from this warranty and sale. These limitations shall apply not with standing any failure of essential purpose of any limited remedy.

Hardware Basics

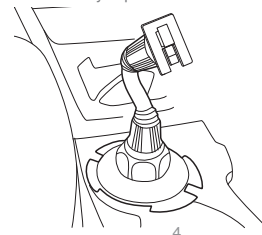

3

Installing the MCUPGRAVITY

1. Begin the installation by first turning the screw knob counter-clockwise and the Expandible Side Base will expand outward.

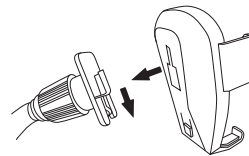

2. Place the MCUPGRAVITY base into your car's cup holder.
3. Once you have placed MCUPGRAVITY into the car cup holder, continue to turn the screw knob counter-clockwise to lock MCUPGRAVITY securely in place.

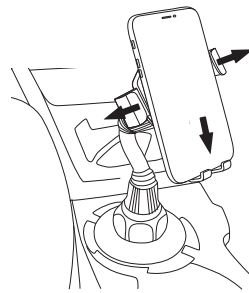

4

4. Attach the holder to the neck base securely.

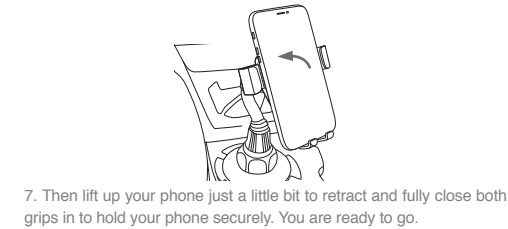

5. Place your phone on the cradle bottom support, push them downward to open the cradle grips.

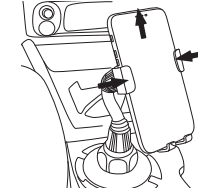

5

6. When the cradle grips open wide enough, lay your phone onto the cradle back support.

7. Then lift up your phone just a little bit to retract and fully close both grips in to hold your phone securely. You are ready to go.

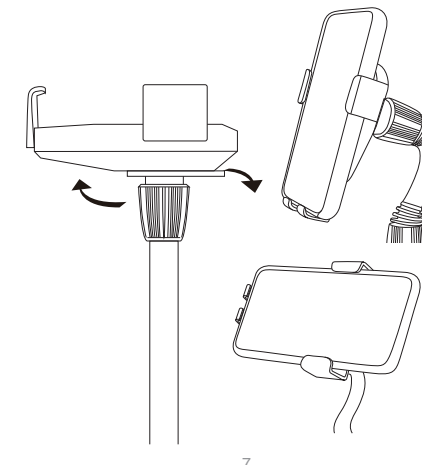

6

8. If you have a large size phone(6.5-inch or longer), you may want to extend the bottom support to accommodate it. Press the release button while pulling down the bottom support to the desired length.

Adjusting the MCUPGRAVITY

To change the viewing angle, simply hold and bend the flexible arm to accommodate your viewing comfort. To change between vertical view and horizontal view, simply hold and rotate the grip arms.
