MACALLY

RECHARGEABLE WIRELESS RF NUMERIC KEYPAD

User guide

USER GUIDE

The Macally RFNUMKEY, a rechargeable wireless RF numeric keypad, allows professionals to efficiently enter long sequences of numbers in spreadsheets, accounting programs, calculators and increase their productivity. The Macally RFNUMKEY is very easy to use. Simply plug the USB RF dongle into the USB port of your computer (no software requried!) and you are ready to go. Thanks to its slim and wireless design, you can keep your desk clean and store it anywhere without cable clutter. You can put it easily in a bag and take it with you when on the road. The built-in 280mAh rechargeable battery will power the RFNUMKEY up to 1 month before next charging is required.

About this guide

Before you start using the Macally RFNUMKEY, be sure to read this guide in its entirety.
