RFSOLARKEYPC

SOLAR POWERED SLIM WIRELESS RF KEYBOARD FOR PC

User's Guide

www.macally.com

Introduction

Thank you for purchasing the Macally RFSOLARKEYPC. The Macally RFSOLARKEY is a stylish wireless RF solar keyboard, especially designed for PC. It has 110 full size, thin and quiet Scissor-Key-Switch™ keycaps for a sensitive and responsive touch. It also has 17 convenient preset shortcut keys for one-touch control of PC applications and a 17-key numeric keypad to quickly and efficiently enter long sequences of numbers. The built-in solar panel constantly recharges internal Li-ion battery under any indoor or outdoor light. You will never need to replace battery or recharge battery manually again. The stylish and slim Macally RFSOLARKEY is a perfect match for your computer as it will greatly help you to increase your productivity!

Package Contents

- Wireless RF Keyboard and USB RF dongle

Macally Product Information

Warranty

Macally peripherals warrants that this product will be free from defects in title, materials and manufacturing workmanship for one year from the date of purchase. If the product is found to be defective then, as your sole remedy and as the manufacturer's only obligation, Macally will repair or replace the product. This warranty shall not apply to products that have been subject to abuse, misuse, abnormal electrical or environmental conditions, or any condition other than what can be considered as normal use.

Limitation of Liability

The liability of Macally Peripherals arising from this warranty and sale shall be limited to a refund of the purchase price. In no event shall Macally Peripherals be liable for costs of procurement of substitute products or services, or for any lost profit, or for any consequential, incidental, direct or indirect damages, however caused and on any theory of liability, arising from this warranty and sale. These limitations shall apply not with standing any failure of essential purpose of any limited remedy.
