

RFXMOUSE

WIRELESS OPTICAL RF MOUSE

User guide

USER GUIDE

Thank you for purchasing the Macally RFXMOUSE. The Macally RFXMOUSE is a 2.4GHz wireless optical USB mouse with a 1200 dpi optical sensor, three soft-click buttons and scroll wheel for a precise and smooth control. The ergonomic and ambidextrous design offers maximum comfort to both left-handed and right-handed users and helps to increase your productivity. The RFXMOUSE works both with Mac and PC and doesn't require any driver.

About this guide

Before you start using the Macally RFXMOUSE, be sure to read this guide in its entirety.

Hardware basics

Installation instructions

The Macally RFXMOUSE is automatically recognized by the computer and does not require a driver. Simply follow the steps below and you are ready to go!

1. Install 1 "AA" battery (included) in the battery compartment.
2. Remove the USB receiver dongle from its compartment.
3. Plug the USB receiver dongle into the USB port of your computer.
4. You are ready to use the RFXMOUSE mouse.

However, if you wish to configure the mouse settings to your personal preferences you can do this in the settings of the operating system:

Mac OS

To configure the tracking speed, scrolling speed, double click speed and primary mouse button, go to Mouse in System Preferences. To configure the mouse button functions, go to Mission Control in System Preferences.

Windows

To configure the mouse buttons, pointer, pointer options and wheel, go to Mouse in Hardware/Control Panel.

Warranty

Macally Peripherals warrants that this product will be free from defects in title, materials and manufacturing workmanship for one year from the date of the purchase. If the product is found to be defective then, as your sole remedy and as the manufacturer's only obligation, Macally will repair or replace the product. This warranty is exclusive and is limited to the Macally RFXMOUSE. This warranty shall not apply to products that have been subjected to abuse, misuse, abnormal electrical or environmental conditions, or any condition other than what can be considered normal use. The liability of Macally Peripherals arising from this warranty and sale shall be limited to a refund of the purchase price. In no event shall Macally Peripherals be liable for costs of procurement of substitute products or services, or for any lost profits, or for any consequential, incidental, direct or indirect damages, however caused and on any theory of liability, arising from this warranty and sale. These limitations shall apply notwithstanding any failure of essential purpose of any limited remedy.

Environmental Information for Customers in the European Union

European Directive 2002/96/EC requires that the equipment bearing this symbol on the product and/or its packaging must not be disposed of with unsorted municipal waste. The symbol indicates that this product should be disposed of separately from regular household waste streams. It is your responsibility to dispose of this and other electric and electronic equipment via designated collection facilities appointed by the government or local authorities. Correct disposal and recycling will help prevent potential negative consequences to the environment and human health. For more detailed information about the disposal of your old equipment, please contact your local authorities, waste disposal service, or the shop where you purchased the product.

CE Compliance

This product is CE marked in accordance with the requirements of the applicable EU Directives (EC Directive 2014/30/EU). Responsible for CE marking is Teklink Europe B.V. (Macally EMEA), Kerkenbos 10-79F, 6546 BB, Nijmegen, The Netherlands. A copy of the official Declaration of Conformity is available upon request at sales@macally-europe.com.
