

mSelfieLight

# Selfie Ring Light with Cell Phone Holder

User guide

## USER GUIDE

Thank you for purchasing the Macally MSELFIELIGHT. The Macally mSelfieLight (ring light cell phone holder) is an essential tool for live broadcast, live show, selfies, video chat, and much more. It can clip onto any table, desk and countertop up to 3.5" wide, and bent in just about any angle possible so you can achieve the best lighting with hands-free recording.

The mSelfieLight features a long 20.5" LED gooseneck with a large circular LED light that measures 3.5" in diameter, 3 light modes (warm, cool, mix), 10 brightness levels and a second independent 12.5" gooseneck to hold your cell phone.

### About this guide

Before you start using the Macally MSELFIELIGHT, be sure to read this guide in its entirety.

## Warranty

Macally Peripherals warrants that this product will be free from defects in title, materials and manufacturing workmanship for one year in North America from the date of the purchase. If the product is found to be defective then, as your sole remedy and as the manufacturer's only obligation, Macally will repair or replace the product. This warranty is exclusive and is limited to the Macally MSELFIELIGHT. This warranty shall not apply to products that have been subjected to abuse, misuse, abnormal electrical or environmental conditions, or any condition other than what can be considered normal use. The liability of Macally Peripherals arising from this warranty and sale shall be limited to a refund of the purchase price. In no event shall Macally Peripherals be liable for costs of procurement of substitute products or services, or for any lost profits, or for any consequential, incidental, direct or indirect damages, however caused and on any theory of liability, arising from this warranty and sale. These limitations shall apply notwithstanding any failure of essential purpose of any limited remedy.
