Flash Cards - Front

Fill in the flash cards below (with math facts, vocabulary words, etc.), then print on heavy paper, such as card stock. Put the paper back in your printer (position to print the reverse side), then fill out and print the next page (Flash Cards - Back). Print as many fronts and backs as you need, then cut out.

Flash Cards - Back

Type in information, then print and cut out on the dotted lines.
See complete directions on pg. 1 (Flash Cards - Front).
