

# Grocery Store Scavenger Hunt

Practice estimating weights in the grocery store!

Estimate the weight of each item, then use a produce scale to weigh it and check your guess.

Items	Estimated Weight	Actual Weight
4 oranges	lbs    oz	lbs    oz
1 apple	lbs    oz	lbs    oz
3 zucchini	lbs    oz	lbs    oz
1 bell pepper	lbs    oz	lbs    oz
2 peaches	lbs    oz	lbs    oz
1 head of lettuce	lbs    oz	lbs    oz
6 lemons	lbs    oz	lbs    oz

16 oz = 1 lb

**Challenge:** Compare just one of each the fruits and veggies above. Guess which is the heaviest. Weigh them to discover the answer!
