

Beautiful Bouquet

Assemble a bouquet to decorate your table or thank someone special!

What You'll Need:

- 15-25 flowers
- scissors
- small vase or jar
- ½ tsp sugar
- 1 Tbsp apple cider vinegar
- water

Find seasonal flowers in grocery stores, gardens, and farmers markets.

Steps:

- 1 FILL** vase $\frac{2}{3}$ with water. Add sugar and vinegar to prolong the life of your flowers!
- 2 TRIM** each flower. Stand it next to the vase to determine how much to cut off.
- 3 PLACE** flowers in the vase one at a time. Arrange different colors and flower types throughout the bouquet.
