Host your own summer luau complete with cupcake liner leis!

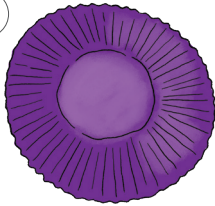

What You'll Need:

- 24 paper cupcake liners
- 3 feet ribbon or twine
- craft scissors

Make a Lei:

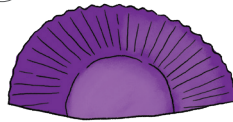

Measure and cut your ribbon to fit like a long necklace. Follow the steps below to make your lei.

1

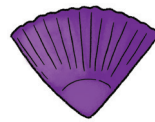

Flatten 3 cupcake liners into a single pile.

2

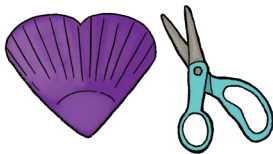

Fold the liners in half.

3

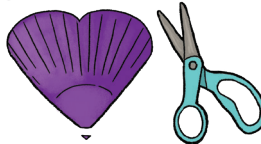

Fold the liners in half again.

4

Cut the top to resemble a heart. This creates flower petals.

5

Snip the end of the cupcake liner "flower" to make a very tiny hole in the center.

6

Thread a flower onto the ribbon and crinkle with your hands. Repeat steps to make more flowers and fill the ribbon.
