

Homemade Cookie Mix

Assemble a jar filled with ingredients for delicious cookies!

Yield: 1 (32 oz) gift jar

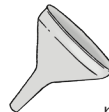

Steps

Assemble: Add ingredients to jar. Start at the bottom with layer # 1, as shown on left.

Decorate: Seal the jar and decorate with ribbons or bows. Attach a gift note (included below).

Tip: Make a Funnel

Using a funnel will prevent spills and ensure that your jar is full. Build a wide-mouth funnel by rolling a piece of paper into a cone, adjusting so that the tip of the cone is slightly open, and taping it in place.
