

Kitchen Games

Gather your Rad-Family. It's time for the Kitchen Games!

Ice Dancing

Balance a hardboiled egg on a spoon while you spin, skate, and "ice dance" around a set course. Try different kinds of spoons (ex: slotted spoon, ladle, wooden spoon). You'll be judged on speed and grace so make it pretty.

Tong Training

Move 1/4 cup of dried beans from one container to another using only a pair of tongs.

Gold Medal Round:

Use tweezers!

Mogul Memory

Collect 5-10 items from your kitchen drawers (ex: can opener, tongs, whisk, spatula) and place on a cookie sheet. Study the items for 20 seconds then cover with a towel.

Round I

Who can list the most items?

Round II

Who can describe what each item does?

Speed Whipping

Pour 1/4 cup whipping cream into a metal bowl. Use a whisk to see how fast you can whip cream into stiff peaks.

Winter Taste Race

Choose 5 ingredients from your pantry (ex: grapes, jam, ketchup, cheese). Blindfold the competitor and challenge him or her to taste and name each ingredient.
