

Backyard BBQ Games

Play foodie backyard games at your summer BBQ!

- **Capture the "Foodie" Flag** – Each team picks a piece of food (e.g. orange, apple, or banana) as its flag. Capture the other team's flag first! But don't get tagged - you'll be sent to "jail!"
- **Restaurant Relay Race** – Race with a serving tray loaded with cups, utensils, and food. Don't drop anything along the way!
- **Egg Toss** – Two teams toss hard-boiled eggs between partners. First team to "crack" cleans the dishes!
- **Hot & Cold** – Hide an object in the backyard. Instruct others where the treasure is based on how close (hot) or far (cold) they are away.
- **Blind Taste Testing** – Guess the ingredient! Close your eyes and guess a secret ingredient from the afternoon meal. Taste and smell using your taste and smell senses!
