

The informational guide is only for reference and does not take place of specifications. **ALL jobs requiring Material and Labor warranties MUST have proper paperwork submitted and be inspected by an authorized Roof X Tender Representative prior to any work being started. Quantities listed are minimum quantities per roofing square (= 100 sq. ft.).**

**Manufacturer warranties DO NOT require inspections or paperwork submitted in advance.**

- NOTES: \* Optional dependent upon existing conditions, field pull test and / or job specific requirements or specifications.  
 \*\* Use of 40-50 Lbs. of granules will require a minimum of 2 additional gals. per square which is not included in listed quantities.
