CURATED PACKAGES

By The Small Things Co, Wild Flos and State Of Reverie.
For events in Melbourne and Victoria.

Weddings and events can be overwhelming. There's so many elements to organise, choices to be made, deliveries to be arranged, not to mention escalating costs! We hear you.

Our Curated Packages include all the elements for a beautifully styled event, without the challenges of arranging everything individually. Planning just got a whole lot easier.

We have expertly designed and curated five packages which all include signage, dining table and gifts table decor, stationery and florals.

Simply choose your favourite look and we'll take care of the rest. Your styling will be sorted all at once...so go ahead and cross it off your to-do list.

TO STYLE

02

Glamorous and refined, this look is our take on the popular moody style.

Shades of dusty pink and rich greens are accented with modern black decor.

The floral is moody with dark foliage, black roses with pops of dusty rose, while stationery favours geometric lines and unique typography. See more from the [Prana](#) collection.
