CHAIR INSTALLATION

| 1. Remove the package and take out the chair parts and components |

- 1) Unpack the outer box of the main body of the massage chair and lift the outer box upward.
- 2) Take out the accessories of the massage chair and put them away.
- 3) Accessories include: instruction manual, installation instruction card, power cord, etc.

*Please follow the steps to install the massage chair. Do not insert the plug into the socket until it is completely installed.

*Before you install the massage chair, please make sure that there are no obstacles in front and back of the massage chair to avoid causing bump damage.

| 2. Install the footrest |

- 1) Connect all the patch cord as shown in the figure, 1 corresponds to 1, 2 corresponds to 2 connections.

CHAIR INSTALLATION

2) Connect the body of the massage chair with the lower leg,

- ① First insert the left and right sides of the leg into plastic spacers and metal bushings.
- ② Hang the connecting posts on both ends of the legs to the massage chair body.
- ③ Put the leg fixings on the massage chair frame, and lock and fix the two screws; the left and right installation methods are the same.

| 3. Install the seat zipper |

| 4. Install the remote controller |

1) First snap the hand controller bracket into the hand controller card slot according to the direction of the card slot.

2) Then place the hand controller on the hand controller bracket.

3) Finally, the handle control cable port is docked with the port of the massage chair seat.

5. Moving the massage chair

1) As illustrated, push the backrest downwards and tilt chair on to its wheels at a 45 angles. Slowly push and maneuver the massage chair to desired location. Lower massage chair slowly and smoothly until it is fully flat on the ground.

CAUTION

- * Do not move massage chair when occupied or in use.
- * Moving the massage chair may cause damage to the floors. Floor protection is recommended (e.g. rugs or carpet).
- * Do not drop or suddenly let go of the chair when moving as it may damage the chair.
- * Two persons are recommended when moving and extra care when handling the massage chair.
- * Make sure power plug & remote is disconnected to prevent damages. Warranty will not cover the power cord & remote if the chair is moved with the plugs connected.

CHAIR INSTALLATION

6. Place the massage chair in an open area |

-Allow sufficient space around the chair for recline purposes.

2-4inch distance for the back side and 15.7inch in front of the footrest.

*In order to avoid the damage of the floor and to reduce the noise, please put area rug under the massage chair.

*Make sure that there are no barriers in front and the back of the massage chair.

*Please do not put it in wet or uneven floor.

*To avoid signal interference, please place it 4 feet away from AV, TV, and radio.

1. Make sure the product is in good condition and proper working order.

- Check the headrest and backrest pad.
- Inspect the power plug.
- Make sure the footrest is in its upright original position in order to prevent damage.

2. Check the surrounding environment.

- Ensure there are no people, pets, or objects obstructing the massage chair.

3. Plug in the massage chair power cord.

- Connect the power cord.
- Turn ON the power switch, located on the right side of the massage chair.

4. Adjust the position of the headrest.

- Adjust the headrest until it is in a comfortable position.

3. Turn off main power switch when you are not using the chair for a long period of time. Remove Plug from the power outlet to avoid accidents by kids and pets.

4. Do not operate with wet hands.

TROUBLE SHOOTING

If the sounds or movements are not normal, please turn off the massage chair and remove the plug from the electric outlet. Please contact the customer service department for further assistance.

855.646.9500 / 1.714.388.2625, service@kahunachair.com

Problem	Solution
The massage chair is connected to power but is not functioning.	Check to see if the power plug is inserted or if the power outlet is functioning properly.
The remote controller is responding, but the massage chair is not functioning.	The massage chair may have automatically shut down due to overheating protection devices. Please turn off the power and allow the chair to cool off for 30 to 50 minutes.
Both the remote controller and massage chair are not responding.	The massage chair automatically turns into "full stop" mode when a massage program is completed. Please press the power button again to turn of the chair.
