

1-263 Adapter and Spacer

Avantages

- For designing multipoint locking systems.
- RH / LH application.
- Flexible use on quarter-turns with 18mm housings or swinghandles.
- As the examples show, the controlling quarter-turn (2.) can be installed in different positions.

Materials

- **Adapter and spacer:** zinc die, zinc plated
- **C-clip:** steel, zinc plated

Notes

1. weld-stud M6x32 e) and f): for flat rods please contact DIRAK.
H-dimension (18) only for sheet thickness 2mm.

Adapter and Spacer

	Part Number	Name	Delivery Unit
b)	200-2811.35-00000	Spacer	10 pcs.

Function

+ extension

c) 200-9637.00-00000 **Adapter for round rods**

* Accessories

d) 1-102 **Cams L35/45 Steel**
