“

**Employees feel more appreciated by employers offering coffee service at the office.**

**-USA TODAY, 2013**

”

Emery Coffee Company partners with 16 award winning roasters from around the country offering fresh roasted whole bean coffee delivered to your office at unbeatable prices. By supplying an in office coffee program for employees, you provide a feeling of engagement and create a personal connection between colleagues. Workplaces with a high quality coffee service report improved productivity, greater focus, and high morale.

We work with the country's top roasters, including: Victrola, Klatch, Metropolis, Toby's Estate, Irving Farm, Kean, Barrington, Devocion, Kickapoo, Topeca, Coda, Beansmith, Rusty's Hawaiian, Case, Passion House, and Big Island Coffee Roasters. Whether you are looking for the perfect drip blend, amazing espresso, scrumptious decaf, or seasonal single origin coffees you will find something to please everyone with over 200 coffees to choose from.

"The *Office Coffee Service in the US: Market Trends and Opportunities* report found that among coffee drinking workers 83% agree that coffee keeps them productive through the workday. Respondents to a December 2014 Harris Poll (89%) said a good cup of coffee makes the workday better." - *Stir*

---

## How Does it Work?

### *Keeping it simple*

With our simple online ordering it could not be easier to make your selections. Want a recurring order? Not a problem. Want a different coffee each month curated especially for your office? We have you covered. Create an account with us and be placing your first order within minutes.

## More Than Just Coffee

### *everything you need*

We also offer a full line of Walters Bay award winning iced and hot teas, flavored syrups by Davinci and Monin, coffee machines, espresso machines, coffee grinders, filters, and supplies. Looking for something not in our inventory? Let us know and we will get it for you.
