Everyone loved the gifts. Even though we knew exactly what was in it the box opening experience was amazing.

Great Experience, beautiful hampers! Thanks for the wonderful hampers!

Confetti Gifts should introduce more products other than hampers as they would do excellent in that as well!

At every step toward building the best gift box for Vairo, we have always had the entire Confetti Team to help us with their awesome creations & put up with our nitty-gritty requests although we had a very small order of hardly 50 boxes.

As a part of the entire Vairo Team, I would like to thank the Confetti Team for partnering with us in bringing a great employee experience during our company anniversary!
