Hall's Auto Washing Powder

Technical Data Sheet

DESCRIPTION:

A cost effective washing powder for use in automatic washing machines. Contains an optical brightener and a combination of stain removers, for effective removal of a wide range of soils, even at low temperatures.

DIRECTIONS FOR USE:

Apply via the dispenser drawer of your washing machine or pre-dissolve in water.

Dosage guidelines for a normal sized load (4-5kg) of medium soiled items:

Front loader - 100ml per load.

Top loader - 150ml per load.

For heavily soiled clothes increase the dosage by 50ml.

For areas with hard water, increase dosage by 10ml.

For larger loads, adjust the dosage as required.

For laundromats dose at 50g per 5kg of washing.

PRODUCT CODES & PACK SIZES:

B000166 - 1KG, B000167 - 5KG, B000168 - 25KG.

STORAGE:

Keep in a cool, dry, and well ventilated area at ambient temperatures.

CAUTION:

Keep out of reach of children. Avoid contact with skin and eyes.

FIRST AID MEASURES:

Eye Contact: Will cause irritation. Flush with plenty of water and seek medical attention immediately.

Skin Contact: May cause irritation. Wear protective gloves if required. Wash with water and seek medical attention if required.

Ingestion: May cause nausea, vomiting and/or abdominal pain. Do not induce vomiting, drink plenty of water and seek medical attention.
