Hand Cleaner Grit

TECHNICAL DATA SHEET

Hand Cleaner Grit

Description

Hand Cleaner Grit is a new concept in abrasive hand cleaners. This high quality gel-type hand cleaner contains grit particles which assist with the rapid removal of dirt and grime leaving hands feeling smooth. Hand Cleaner Grit can be used to remove grease, grime, soot and other industrial contaminants. Hand Cleaner Grit should be applied to the hands and forearms, and massaged into the skin where dirt accumulates, paying particular attention to the fingernails and remove under running water to leave hands smooth and soft.

Technical data

Appearance: Pink Grit Gel
Odor None
Shelf Life Unopened: 3-6 months
Relative density 20°C 0.95 kg/l
Solubility in water 20°C complete

Instructions for use
