

Woodoc 25 Water-Borne Specification Sheet

Typical Application:

Suitable for application to all interior wooden floors and -stairs. Only for interior use. Resistant to normal domestic wear and tear.

Woodoc 25 Water-Borne FLOOR is not an industrial product.

Product Features:

Woodoc 25W creates a clear or white glossy, matt or ultra-matt finish. It is a remarkably tough, wear- resistant floor sealer and lends a characteristic deep polished/natural matt look to floors.

- Does not yellow.
- Low-odour.
- Easy application.
- Water-, alcohol-, heat- and stain-resistant.
- Penetrates wood, binds with it and lends a flexible yet strong and resistant surface finish.
- Suitable for all types of wood.
- Non-toxic once dry.
- Fills the grain of open-grained woods.
- Floor surface can be slippery after sealing with this product.
- Complete how-to-use instructions on label.

NOTE: Wooden floors treated with Woodoc 25W should not be washed with water and detergents/soap. Clean with a damp cloth.
