

MORANTZ ULTRASONICS

The Mighty One (M-115)

OUR MOST POPULAR ULTRASONIC MACHINE

With size, power, portability and ease of use, the Mighty One is Morantz's most popular model. Clean large, bulky items, musical instruments or up to 8 baskets of items at once. The Mighty One's unique electric lift system allows the operator to easily lower and raise items in and out of the tank by pressing a foot pedal.
