Printskari

UNSTITCHED LAWN

Behold a spectacle of color and wonder as we present Printskari, a 3-Piece Unstitched Lawn collection that serves to inspire with each piece and every ensemble. The meticulously crafted assortment that awaits you with Printskari Unstitched Lawn takes inspiration from every corner of the world, from English flora to Roman architecture, and even playful tropical flowers.

Expect both soft and vibrant hues, rendered in Adan Libas aesthetic and crafted along the softest and purest cottons, as you explore the masterpieces that await you in this enchanting collection. Prepare to fall in love, as if for the first time, as you lay your eyes on exquisite prints enriched with intricate schiffli embroidery, and dazzling printed chiffon dupattas.
