

CI ELITE

The **CI Elite** series is crafted in Paradigm's Canadian facility and has all the technology advantages of the CI Pro series, plus oversized voice coils, X-PAL™ pure aluminum cone technology for the ultimate in sound performance.

CI ELITE E5-LCR

CEPro June 2019
<http://bit.ly/2LyRTtx>

"The E5-LCR is a well built, well-engineered loudspeaker that excels with both music and movies. Paradigm's engineering prowess really shines in the speaker's ability to effortlessly fill a room with ear-pleasing sound regardless of whether it is music or movies." – **Robert Archer**
