About Us

WE STARTED WITH INNOVATION AND PASSION

Zap Bath Fittings is indeed a name essential for a better life style. With its wide array of designs, ZAP has certainly turned Sanitation into an Art. The main highlight of Zap Bath Fittings is this that it suits every budget. Thus the company today showcases more than 14 diversified ranges of faucets with exemplary quality.

ZAP is the company's own brand of CP bath fittings, and this brand has been successfully providing the country with products which boast of superb engineering, innovative designs and superior quality, all at excellent prices.

We have also introduced Premium stainless steel bath and kitchen accessories into our portfolio.

Our products include brass taps, faucets , showers , steel shelves, Sink and Basin mixers to name a few.

With an aim to cater to all, we have collections ranging from medium to luxury and products of state-of-the-art sleek designs keeping the modern customer in mind. CASTER, PRIME, MINI TERIM, ARROW, BOLT, BREZZA, PLUTO, SKODA, GEO are few of our proud such ranges.
