

CORNI PANIC & EMERGENCY EXIT DEVICES CE

ASSA ABLOY CORNI MINISTAR 429 PUSH-BAR PANIC DEVICES CE MARKED (EN 1125)			
REF	FINISH	DESCRIPTION	BOX QTY
N42906 00 000	Black	Ministar 429 push-bar centre latch mechanism and idler only, (two part set), reversible, stainless steel latchbolt	6
N42906 00 000 IN*	Simulated stainless	Ministar 429 push-bar centre latch mechanism and idler only, (two part set), reversible, stainless steel latchbolt	6
N42906 00 100 MIC*	Black	Ministar 429 push-bar centre latch mechanism and idler only, (two part set), with micro-switch, right hand DX	6
N42906 00 200 MIC*	Black	Ministar 429 push-bar centre latch mechanism and idler only, (two part set), with micro-switch, left hand SX	6

Mechanisms also available grey (GR), white (WH), chrome (CR) and gold (AU) to special order depending on quantity. Mechanisms not available with dogging device. Mechanisms with micro-switches must be factory ordered.

ASSA ABLOY CORNI CROSSBARS FOR MINISTAR 429 AND EUROSMART PANIC DEVICES CE MARKED (EN 1125)			
REF	FINISH	DESCRIPTION	BOX QTY
NPAM26 00 01 12	Black	Painted crossbar, 900mm long, oval section	6
NPAM26 00 02 12	Black	Painted crossbar, 1200mm long, oval section	6
NPAM26 00 01 00	Silver	Anodised aluminium crossbar, 900mm long, oval section	6
NPAM26 00 02 00	Silver	Anodised aluminium crossbar, 1200mm long, oval section	6
NPAM26 00 03 12	Black	Painted crossbar, 1500mm long, oval section	6
NPAM26 00 03 14	Red	Painted crossbar, 1500mm long, oval section	6
NPAM26 00 02 01	Satin	Real stainless steel crossbar, 1200mm long, oval section	6

Crossbars available silver anodised aluminium (00), real satin stainless (01), black (12), simulated stainless (03), red (14), green (05), white (06), grey (07), gold (08) and real polished stainless (10) to special order depending on quantity. The numbers in brackets refer to the last two digits of the product reference. Sizes 900mm, 1200mm and 1500mm to special order depending on quantity.

ASSA ABLOY CORNI MINIPAD 423 PUSH-PAD EMERGENCY DEVICES CE MARKED (EN 179)			
REF	FINISH	DESCRIPTION	BOX QTY
N42306 00 100Z	Black	Minipad 423 push-pad latch mechanism with white hand on green minipad, stainless steel latchbolt, right hand DX	6
N42306 00 100 IN*	Simulated stainless	Minipad 423 push-pad latch mechanism with white hand on green minipad, stainless steel latchbolt, right hand DX	6
N42306 00 200Z	Black	Minipad 423 push-pad latch mechanism with white hand on green minipad, stainless steel latchbolt, left hand SX	6
N42306 00 200 IN*	Simulated stainless	Minipad 423 push-pad latch mechanism with white hand on green minipad, stainless steel latchbolt, left hand SX	6

LH shown above

Mechanisms also available grey (GR), white (WH), chrome (CR) and gold (AU) to special order depending on quantity. Mechanisms not available with dogging device or micro-switch.

ASSA ABLOY CORNI TOUCH 445 TOUCH-BAR PANIC DEVICES WITH ANTI-THRUST CE MARKED (EN 1125)			
REF	FINISH	DESCRIPTION	BOX QTY
N44505 32 000*	Black body Red bar	Touch 445 touch-bar latch mechanism, reversible, 320mm long, to suit doors up to 400mm wide, cannot be cut	1
N44505 64 000*	Black body Red bar	Touch 445 touch-bar latch mechanism, reversible, 640mm long, to suit doors 500-650mm wide, max cut 150mm	1
N44505 84 000	Black body Red bar	Touch 445 touch-bar latch mechanism, reversible, 840mm long, to suit doors 650-850mm wide, max cut 200mm	1
N44505 11 000*	Black body Red bar	Touch 445 touch-bar latch mechanism, reversible, 1140mm long, to suit doors 850-1150mm wide, max cut 300mm	1
N44505 13 000	Black body Red bar	Touch 445 touch-bar latch mechanism, reversible, 1300mm long, to suit doors 850-1310mm wide, max cut 460mm	1
N44505 84 000 MIC*	Black body Red bar	Touch 445 touch-bar latch mechanism, reversible, 840mm long, to suit doors 650-850mm wide, with micro-switch	1
N44505 11 000 MIC*	Black body Red bar	Touch 445 touch-bar latch mechanism, reversible, 1140mm long, to suit doors 850-1150mm wide, with micro-switch	1
N44505 13 000 MIC*	Black body Red bar	Touch 445 touch-bar latch mechanism, reversible, 1300mm long, to suit doors 850-1310mm wide, with micro-switch	1

Touch-bar available red (RAL3000), white (RAL9002), black (RAL9011), green (RAL6001) and anodised silver to special order depending on quantity.
