

ZERO MEETING STILE SEALS

BOTH DOORS ACTIVE

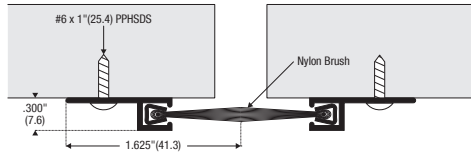

Surface fixing and mortice fixing seals for meeting stiles of pairs of doors with both leaves active.

Sizes: 2134mm (7 ft), 3048mm (10 ft). Other sizes available to order, maximum 3048mm.

Finishes: A=mill aluminium, AA=clear anodised silver, B=sef colour brass (aka US bronze), D=dark bronze anodised and G=gold anodised where indicated.

During the life of this catalogue and as current inventory is sold, our stock of mill aluminium products (finish A) will be switching to anodised aluminium (finish AA). We will endeavour to avoid supplying orders in mixed finishes.

Availability: usually ex-stock except items marked with an asterisk, which are to special order (3-5 weeks) depending on quantity.
