

SIXTHREEZERO

ASSEMBLY GUIDE

Explore your Range

The background of the entire image is a photograph of two people standing with their bicycles on a paved surface. The person on the left is wearing a white top and shorts, and the person on the right is wearing a light blue top and jeans. Both are holding bicycles; the one on the left is a teal-colored bike, and the one on the right is a black bike. A semi-transparent dark grey rectangle is overlaid on the right side of the image, containing the text.

OUR COMMITMENT

We want you to love your bike as much as we do.
If you run into any issues, no matter how small,
let us know and we'll take care of you.

Most Sixthreezero bicycles have their serial number stamped into the bottom of the frame below the bottom bracket. You'll need to lift it up to see underneath, or use a smart phone to take a photo (with the flash) of the underside. The serial number is located on the frame behind the chainring. Contact us if you're having trouble finding the serial number.
