

weldmax

THE ALL NEW

600B

**BLACK
THUNDER** SERIES

Industrial welding solutions for heavy
fabrication and repairs

Made in South Korea

Key Features & Benefits

DIGITAL DISPLAY

For Amps, Volts & Wire Speed Adjustment

EASY TO USE

Labeled switches and easy turn dials

The Weldmax 600B Black Thunder Series with separate wire feeder, is a heavy-duty MIG machine with unprecedented duty cycles.

Featuring top-end inverter technology combined with solid construction that is built to last.

The Weldmax 600B is ideal for heavy duty fabrication, build-up and maintenance work. This package is a 600 Amp machine, however, there is similar 350BT-2 model if 600 Amps of power is not required.

The Weldmax 600B is a complete industrial welding solution for medium and heavy industrial fabrication, including vehicle manufacture, truck body building, shipbuilding, aluminium and stainless steel construction and the full range of fabrication.

IGBT Inverter

Thermal Overload Protected

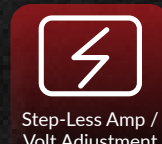

Fan Cooled

Air-Arc Gouging

3 PHASE

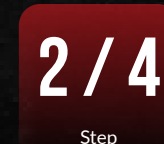

Step-Less Amp / Volt Adjustment

Generator Safe

Gas / Gasless Capable

2/4 Step

What's included the box

COMPLETE & READY TO WELD

- Weldmax 600B heavy duty inverter power source
- 4 roll drive wire feeder
- 12 metre heavy duty interconnecting cable
- 4 metre mig torch with setup for steel welding
- Air Arc Gouging capability with the heavy duty inverter powersource
- Drive rollers to suit steel & stainless
- Earth lead 10 metre with heavy duty G-style clamp, argon regulator with 3 metre gas hose
- 3 phase / 415V plug fitted – 32A
- Owner's manual
- 3 year warranty
- Lifetime product support

Mig Torch

Earth Clamp

Made in South Korea			

weldmax

is all about high quality and lean manufacturing which is now a premium name in the welding industry – and you can be guaranteed that we care the most.

With the recent inverter additions and enhancements to the product line up, Weldmax now has products suited to a wide field of uses starting from welding in the garage to heavy boiler making and structural steel, stainless manufacturing, aluminium fabrication & boat building.
