WHY LEAFWARE

Mother nature provides us with naturally fallen palm leaves. We harvest, sanitize and create our hand crafted tableware from nature. No tree is ever harmed or cut. We use only the fallen leaves. Leafware® the leading manufacture of single-use Palm Leaf Dinnerware, known for the highest quality. We own and operate our facilities in several countries. We are committed to providing a consistent supply of eco-conscious dinnerware-tableware.

Beyond appealing to your guest and their green sensibilities. Leafware® offers several benefits:

Biodegradable: The quality of a material to decompose fully, returning all parts back to nature.

Compostable: Palm leaves are plant based material and will decompose fully and naturally with time.

Disposable: Allows you to provide your guest with a new bowl, plate and cutlery.

Eco-Friendly: Striving to reduce our carbon footprint, while creating innovative tableware.

Sustainability: A continued state of improvement today and for our future.

PFAS-FREE: Our range of dinnerware products are made with no PFAS.

Leafware® utensils are manufactured from 100% birchwood. They contain no dyes, bleaches, or glazes and are completely compostable, cutlery goes into the composting pile and the Kraft Paper Bag into the recycling paper bin. Our birchwood cutlery eliminates landfill waste, unlike bio plastics we do not require the use of a commercial composter. When it comes to slicing and dicing, our cutlery works.
