ROUNDED PLATE POLE MOUNT BRACKETS

This bracket with a rounded plate is designed for antennas needing a 1 or 1.5-inch mounting hole. Bracket is designed to securely fit poles with 1.5 to 2.5-inch diameters.

Part #	Description	Plate Size	Compatible Antennas
PTA0149	Round plate with 1" hole and pole mount bracket	6.10"D	Border Collie , Chihuahua S & ST , Collie , Doberman , Rottweiler
PTA0149H	Round plate with 1.5" hole and pole mount bracket	6.10"D	Belgian Shepherd , Husky , Irish Setter, K9 , Norwegian Elkhound, Timberwolf

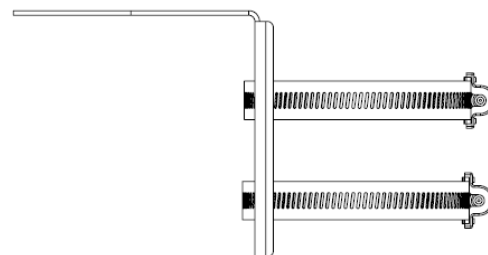

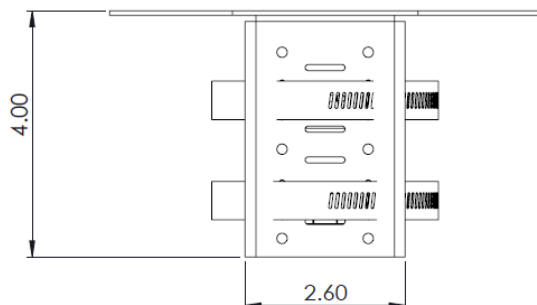

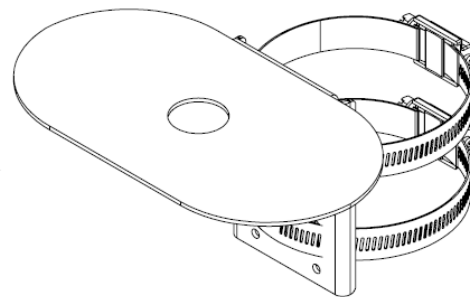

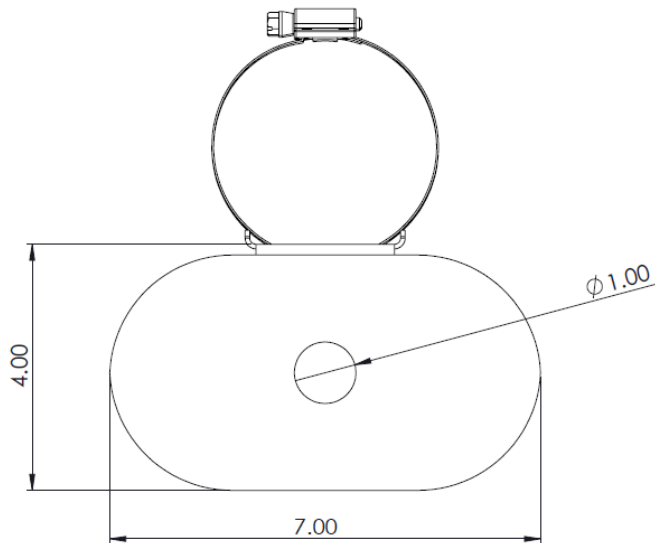

MINI PLATE POLE MOUNT BRACKET

This bracket is designed for smaller antennas needing a 1-inch mounting hole. The included adjustable gear/worm-drive clamps fit poles or rectangular posts with 1.5 to 2.5-inch widths. Slots for gear clamps run vertically and horizontally.

Part #	Description	Plate Size	Compatible Antennas
PTA0637	Mini plate with 1" hole and pole mounting bracket	7"L x 4"W	Border Collie , Chihuahua S & ST

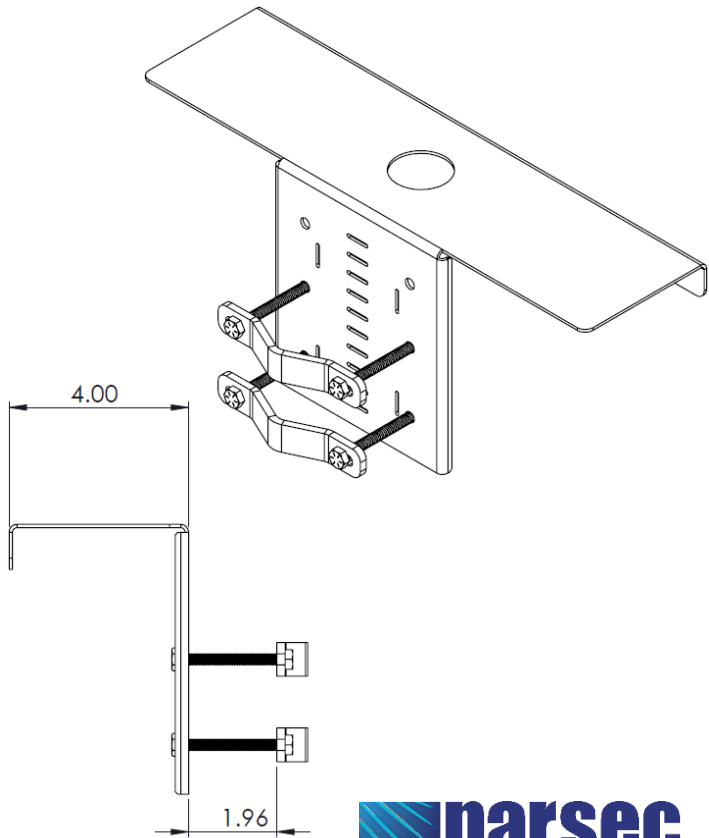

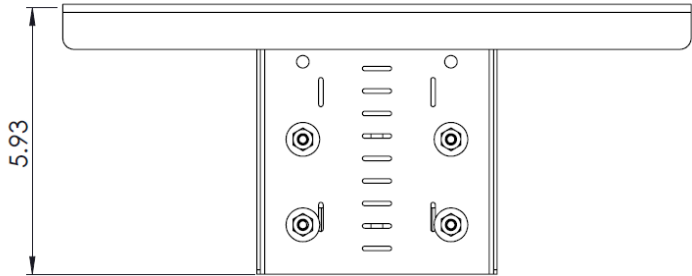

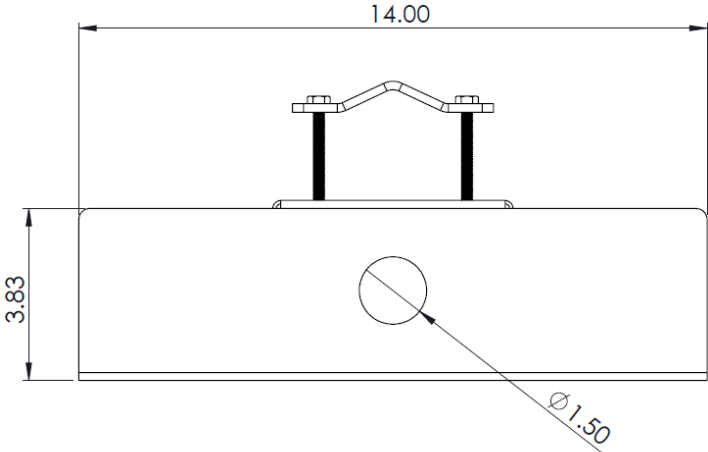

RECTANGLE PLATE POLE MOUNT BRACKET

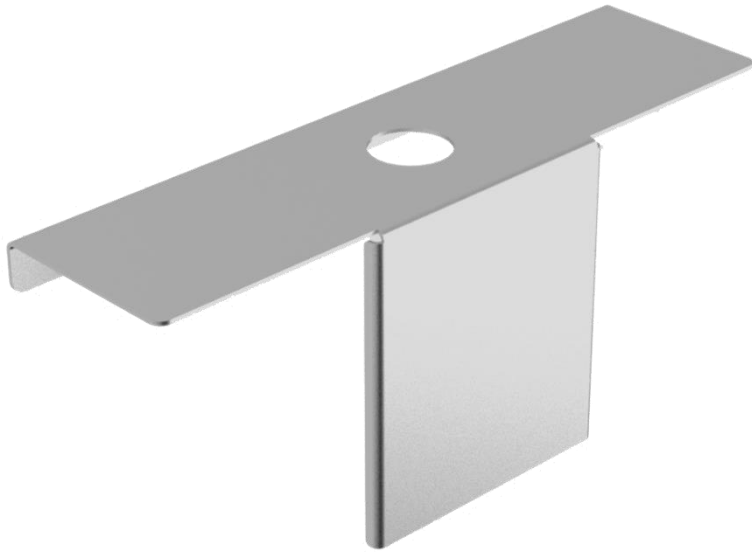

This bracket with a 14-inch-long plate is designed for longer antennas needing a 1.5-inch mounting hole. Bracket is designed to securely fit poles with 1.5 to 2.5-inch diameters or rectangular posts up to 3 inches wide. Additional slots for gear/worm-drive clamps run vertically and horizontally.

Part #	Description	Plate Size	Compatible Antennas
PTA0638	Rectangle plate with 1.5" hole and pole mount bracket	14"L x 3.75"W	Australian Shepherd , Belgian Shepherd , Irish Setter, Norwegian Elkhound

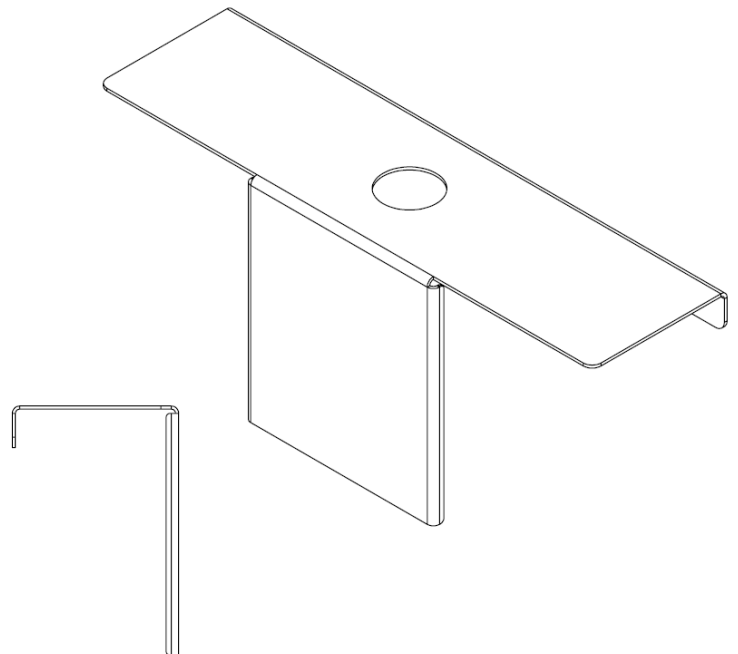

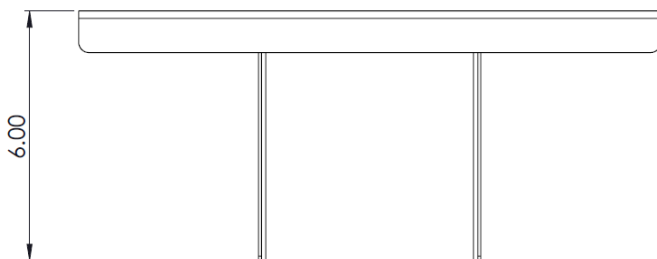

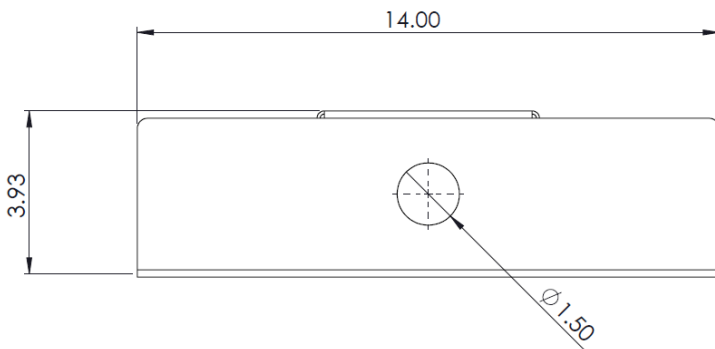

RECTANGLE PLATE MOUNT BRACKET w/ NO HOLES

This bracket with a 14-inch-long plate is designed for longer antennas needing a 1.5-inch mounting hole. Bracket is solid and designed for user to drill holes for customizable mounting.

Part #	Description	Plate Size	Compatible Antennas
PTA0640	Rectangle plate with 1.5" hole and bracket with no predrilled screw holes	14"L x 3.75"W	Australian Shepherd , Belgian Shepherd , Irish Setter, Norwegian Elkhound

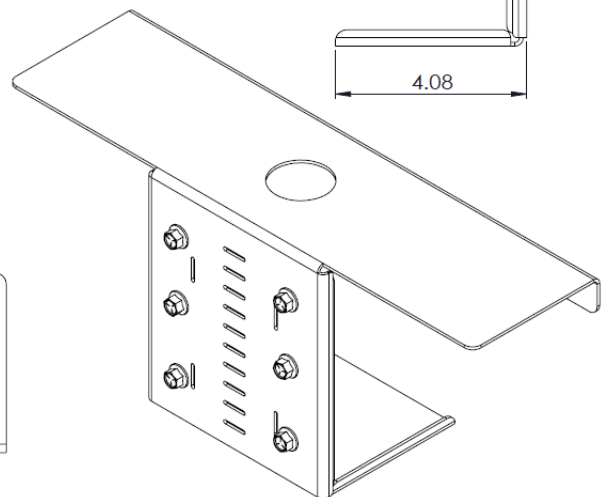

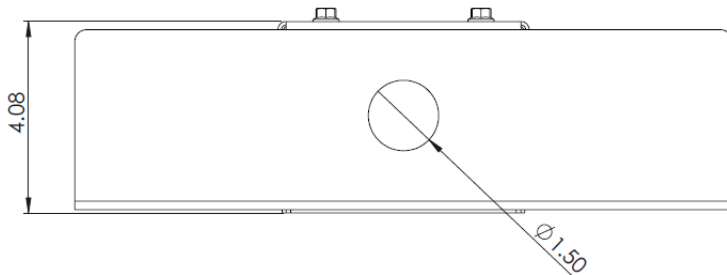

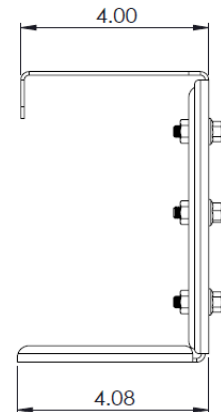

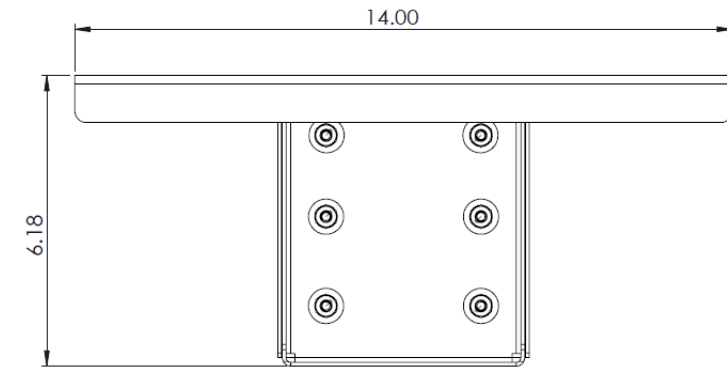

RECTANGLE PLATE L MOUNT BRACKET

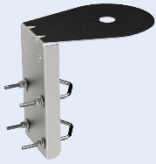

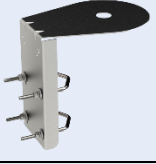

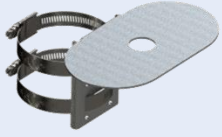

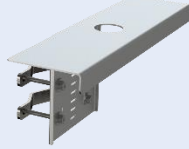

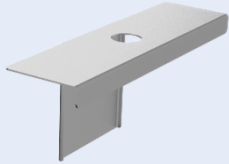

This bracket with a 14-inch-long plate is designed for longer antennas needing a 1.5-inch mounting hole. L bracket includes predrilled holes and slots for mounting. Bottom part of L bracket is solid and allows user to drill holes for customizable mounting.

Part #	Description	Plate Size	Compatible Antennas
PTA0641	Rectangle plate with 1.5" hole and L bracket	14"L x 3.75W	Australian Shepherd , Belgian Shepherd , Irish Setter, Norwegian Elkhound
