### The Fresh Rotation

We love new recipes, and we like mixing things up. We regularly make unique recipes, like s'mores scones, strawberry cakes, fun breakfast sandwiches, and more. These items are always "first come first serve" and are available until sold out! Prices vary depending on the item, and are available upon request in store.

### Important Note

Everything we serve is made in-house or from a partnership with other local businesses. Due to bake and prep times, items are prone to selling out. We always try to keep things available, but unexpected demand can leave our shelves a bit empty. That's just the nature of baking fresh! Thank you for understanding :)
